

FACULTY OF INFORMATION AND MEDIA STUDIES STUDENTS' COUNCIL FIRST YEAR REPRESENTATIVE APPLICATIONS

Hello FIMS frosh!

Look at you, opening the application to be the first year representative on FIMSSC! Three years ago I hesitantly opened this application and ended up embarking on a journey that defined my experience at Western. Starting with taking on the role of first year representative, this council provided me with countless opportunities and friends.

Thank you for expressing an interest in our council. In this role you will be required to plan events for first years throughout the year and represent the views of your class at our council meetings. I want to stress that there is no experience necessary for this position - we are simply looking for committed individuals who care.

I can't wait to read your application, good luck!

Kyra Balogh
