  3. What skills, experiences and/or qualities do you have that make you the best candidate for this team?

The event will be a meet/greet/pat with the dogs to give students a chance to unwind during the stressful exam period. Your task is to create some sort of promotion for the event. Please provide a video, posture, brochure, Instagram story, or a description of your marketing tactic (max: 600 words). Please be as creative/weird/funky as you please! It's a dog party!
